Merit Award Program Update:

The anticipated date for the FY08 MAP award for outstanding teachers and school-based administrators is September 15, 2008. Principals and Directors will receive notification of MAP recipients via their electronic folder at the end of the day on September 11, 2008. The electronic folder will contain the following information:

Teacher Name	Silo	Eligibility	Assessment Score	Gain Score	Location
--------------	------	-------------	------------------	------------	----------

An Interpretive report will also be sent with the above information to assist principals with helping teachers understand their gain score results.

Administrators are encouraged to share the results with recipients prior to the September 15, 2008, payout. The MAP award for both teachers and school-based administrators will be equal to 5% of the average teachers salary for FY08 which is \$2229.85 before taxes.

Remember that District staff will be unable to answer individual teacher questions. Please direct teachers with these questions to our website at <http://hr.leeschools.net/MAP08.htm>.

For further information please refer to our previous HR Times issue which you can access at the following link:

School Recognition Program Update:

Several principals have asked questions about School Recognition Program fund distribution. These fund amounts have not been posted on the DOE website at the time of this writing. Once these fund amounts are posted on the DOE website, principals will receive an e-mail from Greta Malaise, Senior Account, Financial Accounting Department with further instructions. The schools will submit their distribution plan to Financial Accounting for processing. If principals have further questions after receiving the e-mail from Greta Malaise, contact her at 337-8225.
